

Mark Williams, Director, is a graduate of Arcadia High School (Arcadia, CA), and received a BA in Music Education from George Fox University (Newberg, OR) and completed coursework for a MA in Music Education with a minor in Instrumental Conducting from Western Oregon University (Monmouth, OR).

In addition to his duties leading Second Winds Community Band, Mark also is the Music Director for the Dayton Community Chorus (Dayton, OR) and is Minister of Music for Pioneer Evangelical Church (Dayton, OR). He is at home in Dayton (OR) with his wife Kathleen, two elderly pugs and, as a concession to his wife, he lives with assorted, random cats.

Jamie Howe, our narrator, relocated to McMinnville with her family in 2009. She has enjoyed exploring several creative outlets in McMinnville, such as acting on the Gallery Theater stage, playing her flute in Second Winds Community Band, and as a singer/songwriter and guitarist in a local duo. Jamie is Visit McMinnville's Marketing Coordinator & Arts Liaison, and she is the editor of CRUSH, Visit McMinnville's monthly printed arts & culture publication.

She also serves on the Gallery Theater Board of Directors, Gallery's marketing committee, McMinnville Urban Renewal Area Committee, and is a co-founder of Make Music McMinnville.

Pacific Crest Trail

One of the most performed composers of concert band music, Robert Sheldon's compositions are performed around the world and appear on many international concert and contest lists. With over three million copies of his compositions and books sold, Dr. Sheldon regularly accepts commissions for new works, and produces numerous publications for concert band and orchestra each year.

When Michael Burch-Pesses asked Robert Sheldon to consider accepting a commission from the Northwest Bandmasters Association, he suggested a "northwest" theme would be nice but not required. But as he began thinking about this beautiful area of our country, he remembered hiking portions of the Pacific Crest Trail near Mt. Shasta, Mt. Hood and the mountains near Lake Tahoe and Palm Springs. It is hard not to be inspired by the majestic peaks and sweeping views experienced by visiting those wonderful places.

"The Pacific Crest Trail spans 2,650 miles (4,265 kilometers) from Mexico to Canada through California, Oregon, and Washington. It reveals the beauty of the desert, unfolds the glaciated expanses of the Sierra Nevada, travels deep forests, and provides commanding vistas of volcanic peaks in the Cascade Range."

"Pacific Crest" is inspired by the ridge of mountains spanning the entire range from Canada to the Mexican border, with music depicting the peaks, panoramic views, and joy of hiking this incredible trail.

SWCB is proud to present our premiere of this wonderful piece commissioned by the Northwest Bandmasters Association, (and us) to honor a young man who passed way too early.

At the end of our concert today, we will be having a raffle to raise funds. We will be raffling off an Italian themed basket that includes spaghetti, special sauce, biscotti, wine and chocolate, plus much more.. The total value of the basket is over **\$100**. We will be selling tickets for **\$5.00 each**.

Help support SWCB and enjoy a wonderful Italian meal on us.
