

EMBLEMS OF SACRIFICE was commissioned by the Second Winds Community Band specifically to be performed on our annual Veterans Day concert. The lyrical, dignified work was composed to honor all veterans in the region of Yamhill County Oregon and was composed by Dr. Kevin M. Walczyk, a Music professor at Western Oregon University. The composition, premiered at the November 6, 2016 performance, entitled *I Remember Vietnam*, serves to underscore a slide presentation comprising the images of veterans from Yamhill County (including current and former members of the *Second Winds Community Band*) and veterans associated with members of the band. This composition is dedicated to these local veterans - and their counterparts found in every region of the United States - who have served, and who currently serve, in our nation's military branches as the true *emblems of sacrifice*.
